FUNDING:

1. All funding is subject to approval by the Deerfield Beach Community Redevelopment Agency (CRA) Board.
2. The recipient must be the property owner, as evidenced by a deed.
3. Applicants may receive funding on a one-to-one (public to private) matching basis. The funds will be provided as a reimbursement once all work is complete. One hundred percent of all backup documentation is required prior to reimbursement, including copies of all City of Deerfield Beach building permits and completed inspection reports for the project. The maximum funding amount is \$100,000 - most projects will qualify for less than the maximum based upon building size as explained below. Furthermore, all projects are eligible to receive at least \$12,500 regardless of building size.
4. All private funds must be invested and related work elements completed prior to the release of CRA funds. The owner will be responsible for any and all debt incurred.
5. All funds provided by the CRA shall be in the form of a Deferred Payment Note filed as a lien on the property title to ensure the maintenance and protection of funded improvements for a five-year period.
6. Repayment is required if, prior to a five-year period, property ownership transfers or funded improvements are removed or otherwise unmaintained. Otherwise, after five years the lien will be released.
7. Funding for the Commercial Facade Program is reserved on a first come - first served basis subject to eligibility and the annual budget allocation for the program. An application which is not funded solely because program funds are depleted may be resubmitted on the first day of the following fiscal year and thereby secure its place in line.

CRITERIA: (Threshold criteria that all applicants must meet)

1. The project must be for commercially-zoned or community-facility zoned property in the Community Redevelopment Area.
